How's the weather?

How's the weather?

How's the weather today? (Similar to the American Sign Language sign for "weather", make a 'W' with your middle three fingers on each hand and twist them back and forth.)

Is it sunny? (Make a big circle over your head with your arms.)

Is it rainy? (Wiggle your fingers down in front of you, simulating rain.)

Is it cloudy? (Squeeze two imaginary pillows above your head.)

Is it snowy? (Move your hands down in front of you in a slow, wavy motion.)

How's the weather today? (Make the twisting Ws with your fingers.)

Let's look outside. (Put your hand above your eyes and look out the window.)
